for other public use, including interim trail use.

Any request for a public use condition and any request for trail use/rail banking will be due no later than 20 days after notice of the filing of the petition for exemption is published in the FEDERAL REGISTER.

Persons seeking further information concerning abandonment procedures may contact the Surface Transportation Board or refer to the full abandonment or discontinuance regulations at 49 CFR part 1152. Questions concerning environmental issues may be directed to the Board's Section of Environmental Analysis.

An environmental assessment (EA) (or environmental impact statement (EIS), if necessary) prepared by the Section of Environmental Analysis will be served upon all parties of record and upon any agencies or other persons who commented during its preparation. Any other persons who would like to obtain a copy of the EA (or EIS) may contact the Section of Environmental Analysis. EAs in these abandonment proceedings normally will be made available within 60 days of the filing of the petition. The deadline for submission of comments on the EA will generally be within 30 days of its service.

(d) A petitioner for an abandonment exemption must serve a copy of the petition on the persons receiving notices of exemption under §1152.50(d). The petition must include the following statement: "Based on information in our possession, the line (does) (does not) contain federally granted right-of-way. Any documentation in petitioner's possession will be made available promptly to those requesting it."

(e) As Provided in §1152.29(e)(2), rail carriers that receive authority to abandon a line by individual exemption under 49 U.S.C. 10502 must file with the Board a notice that abandonment has been consummated.
